

BRASARO

COMMERCIAL KITCHEN EQUIPMENT & TURNKEY ENGINEERING

Cooking, cold, ware-washing, servery and canteen furniture — in 304 stainless, designed, fabricated and commissioned by one accountable team.

ONE KITCHEN. ONE PARTS CATALOGUE.

From the hot line to the dish room to the dining hall, BRASARO designs and builds the whole operation to a single standard — so every station behaves as one serviceable system. This catalogue covers the eight families below; tell us your menu and covers and we will specify the set for your site.
